I am VERY concerned for your sister dude...

She worries me often, I just want to help her...can I do that? Can I help her?

If yes, how?

Hey dude, sorry I didn't see this sooner. She has something that she's struggling with mentally, and just...I'm sorry I can't tell you. But she said she loves you and you remind her so much of our sister.

No...

Not at all, there is so much I wish I could do for you two, but I don't know if you or Pluto would like it.

I-I just want to help her, but yet I don't want to force her to let me help.

GAH, I DON'T KNOW!  WITH THE FORUMS SHUTTING DOWN I CAN'T THINK!
